

RUBBER TRACKS FOR **JOHN DEERE® X9 AND S7 COMBINE SERIES**

BUILT FOR HARVEST. ENGINEERED FOR LONGER LIFE. NEXT-GENERATION TRACK PERFORMANCE FOR JOHN DEERE X9 AND S7 COMBINES

Trackman is expanding its combine track lineup with the introduction of the T700 ARMORLUG® track for John Deere X9 and S7 combine series. Designed to deliver exceptional durability, traction, ride quality, and drive lug performance, the T700 ARMORLUG® track combines proven Trackman technology with an advanced tread and reinforcement package to help maximize uptime during critical harvest windows.

PRODUCT HIGHLIGHTS

- Available Widths: 30" and 36"
- 2.38" Tall Tread Bars
- 6.0" Pitch Tread Pattern
- ARMORLUG® Drive Lug Durability
- Four Layers of Maxxtuff™ Reinforcement
- Up to 23% Longer Service Life
- 4-Year Agricultural Warranty

- Exclusive ARMORLUG® technology extends track life up to 23% more over the competitor's track.
- Reinforcement fabric covers the entire drive lug and extends into the wheel path for added protection.

THE TRUSTED SOURCE FOR THE **TOUGHEST TRACK**

 **Trackman**

KEY BENEFITS AND FEATURES

Maximum Reinforcement

- Four layers of exclusive MaxxTuff™ steel belting reinforcement
- 1.25" thick carcass construction for exceptional structural integrity
- Brass-coated cables provide increased corrosion resistance and long-term durability

Superior Traction

- Fully-molded 2.38" tread lugs deliver outstanding durability and wear resistance
- High-traction tread design offers up to 60% greater tread wear life than alternative combine tread designs.

Proprietary Rubber Technology

- Engineered with Trackman's proprietary high-performance rubber compounds
- Optimized for durability, flexibility, and consistent field performance

Fully Molded Is Stronger

- Fully-molded track equals tougher, longer-lasting track.
- Non-fully-molded has built-in weak points that can lead to early deterioration and failure.
- On top of longer life, you get a more consistent rubber thickness, which leads to greater stability and a smoother ride.
